5th January 2023

Dear Parents/ Carers,

Happy 2023 and we hope that you had an enjoyable break, spending time with those you love. We are all excited for the year ahead and you may have noticed that we are already having new shelters built on the field- ready for a lovely spring and summer to come! Our bike sheds are now finished- we hope you agree they look good, and we can now accommodate twice as many bicycles and scooters to encourage our children to be active on their journey to and from school.

Thank you for your support with all of our winter activities and we are now looking forward to the spring and summer term ahead. One of the things we said we wanted to do was to re-introduce our class/ year group assemblies because we think this will be a lovely way for you to see your child in school. We wanted to try a slightly different approach too, by inviting parents/ carers in to see the assemblies, but also to stay and see your child's work in their books as well. We believe that by having a single year group assembly, all parents/ carers and family members will have the opportunity to see their own children in a less crowded and more relaxed atmosphere. We hope that you agree and we hope you will enjoy the experience. Please see the dates below for the assemblies, however, each year group will send further information regarding each year group assembly nearer the time.
