Whose job is it to keep our local places clean and tidy?

In the news this week

Many workers in Birmingham have been on strike (choosing not to work) since January, because they believe they are not being treated or paid fairly. The workers on strike are the people whose job it is to collect rubbish and empty the bins from outside homes and streets. As an all-out strike has now been going on since 11th March, huge piles of rubbish are building up around the city.

Things to talk about at home ...

- > Talk to someone at home about what happens to your rubbish. Where do you take it? Do you know where it goes? What about your recycling?
- > Tell someone at home about this week's story. What do you think it might be like for some people living in Birmingham at the moment?
