Headteacher: Mrs P Scott

28<sup>th</sup> September 2022

Dear Parents/Carers

As part of our science topic this term, we are learning all about different senses and we would like the children to take part in a food tasting activity. Your child will be tasting lemons, golden syrup, pretzels, and some broccoli. If your child has an allergy or you do not wish for them to take part, please state below. Please be aware that if you do not bring this letter back to school you are giving your consent for your child to take part in this activity.

I do not want my child to take part in this activity

Thank you for your continued support.

The Year 1 Team
