## Pupil premium strategy statement LOXDALE PRIMARY SCHOOL Year Two of Three Years 2022- 2023

This statement details our school's use of pupil premium (and recovery premium) funding to help improve the attainment of our disadvantaged pupils. It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

#### School overview

Detail	Data
Number of pupils in school	LOXDALE PRIMARY SCHOOL
Proportion (%) of pupil premium eligible pupils	49.3%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2021 -2023
	This is year 2 of 3 years.
Date this statement was published	SEPTEMBER 2021 - JULY 2024
Date on which it will be reviewed	July 2023
Statement authorised by	P SCOTT (Headteacher)
Pupil premium lead	E WRIGHT-JONES
Governor / Trustee lead	Jodie Wallwork

## Funding overview

Detail	Amount ** Predicted funding from April to August 2023
Pupil premium funding allocation this academic year	£280,511
Recovery premium funding allocation this academic year	£27,405
Pupil premium (and recovery premium*) funding carried forward from previous years (enter £0 if not applicable)	£0
*Recovery premium received in academic year 2021 to 2022 can be carried forward to academic year 2022 to 2023. Recovery premium received in academic year 2022 to 2023 cannot be carried forward to 2023 to 2024.	
Total budget for this academic year	£307,916
If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	

### Part A: Pupil premium strategy plan

#### Statement of intent

At Loxdale Primary School, we have high aspirations for all the children in our school community and believe that all children should be given the opportunity to reach their full potential. We seek, as a school community, to provide personalised learning opportunities and targeted support to allow every child to flourish.

As we recognise that not all pupils who are academically or socially disadvantaged are registered for free school meals, we reserve the right to allocate Pupil Premium funding to support any pupil, or group of pupils, identified by the school as being at a significant disadvantage.

In order to meet the above requirements, the Governing Board of Loxdale Primary School will ensure that provision is made to secure appropriate teaching and learning opportunities that meet the needs of all pupils.

### Objectives

- To ensure that progress measures for PP pupils are in line with or better than that of the cohort
- To accelerate the progress of PP pupils so that the attainment gap between disadvantaged and non-disadvantaged pupils is narrowed
- · To improve the literacy levels of all PP pupils
- · To increase the quantity and quality of reading for all PP pupils
- To ensure that PP pupils participate fully in the rewards system and take full advantage of the opportunities for student leadership across the school
- To ensure that staff have a high level of awareness of the needs of disadvantaged pupils in their classrooms
- To target disadvantaged pupils who require catch-up through the school intervention programme
- To increase the number of PP pupils participating in extra-curricular activities and in particular trips and visits activities
- · To improve the mental wellbeing of all PP pupils

In order to be highly successful in meeting the objectives for improvement, we will:

· Never confuse eligibility for the Pupil Premium with low ability and focus on supporting our disadvantaged pupils to achieve the highest levels

- · Thoroughly analyse which pupils are underachieving, particularly in English and mathematics, and why
- Draw on research evidence (such as the EEF) and evidence from our own and others' experiences to allocate the funding to the activities that are most likely to have significant impact on improving achievement
- Be clear about the importance of ensuring that all day-to-day teaching meets the needs of each learner, rather than relying on interventions to compensate for teaching that is less than good. Quality First Teaching is paramount.
- · Allocate our best teachers to teach intervention groups to improve mathematics and English.
- · Use achievement data frequently to check whether interventions or strategies are working and make adjustments accordingly, rather than using the data retrospectively to see if something has worked.
- · Make sure that support staff, particularly teaching assistants, are highly trained and understand their role in helping pupils to achieve.
- · Systematically focus on giving pupils clear, useful feedback about their work, and ways that they could improve it
- Ensure that the Senior Leadership Team has a clear overview of how the funding is being allocated and the difference it is making to the outcomes for pupils
- Ensure that class teachers know which pupils are eligible for the Pupil Premium so that they can take responsibility for accelerating their progress. This also applies to teaching assistants
- · Provide well-targeted support to improve attendance, behaviour or links with families where these are barriers to a pupil's learning.

### The key principles of the strategy plan are based around the EEF's PP guidance, with regards to:

- · Understanding that Loxdale Primary School really can make a difference to all disadvantaged pupils at our school
- · Using evidence to help meet the targets of the plan
- · Quality first teaching being the most important lever in improving the outcomes of disadvantaged pupils
- · Supporting all types of disadvantaged learners (e.g. SEND, high attainers, middle attainers, and low attainers) using the three-tiered approach:
- 1. Teaching Professional development, support for ECTs, recruitment & retention, effective teachers being in front of the right pupils and teachers being supported to keep improving
- 2. Targeted academic support teachers and TAs identifying who needs support, why they need it and how it will be delivered
- 3. Wider strategies improving attendance, behaviour, well-being, and pupils' cultural capital.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Our observations are of limited opportunities provided to pupils outside of school, to enable them to explore and be exposed to the wilder world; which is exacerbated by limited engagement from some disadvantaged families with supporting pupils at home and in wider life-experiences. The lack of enrichment opportunities has had a significant impact on the linking of knowledge to supplement what is being taught in school.
2	Our observations of the lack of resilience and low self-esteem of disadvantaged pupils has a significant impact on their ability to engage fully with learning and socially with peers. Over the past three years, there has been an increase the number of pupils who have social, emotional, and mental health needs, which is impacting on their achievement.
3	Our attendance data shows attendance and punctuality of disadvantaged pupils is particularly low, when compared to non-disadvantaged pupils. This is detrimentally affecting their ability to learn, retain information and to engage in learning and also increases the need for the Pastoral Team to then support the resilience and self-esteem of these pupils.
4	Our assessments identify low starting points upon entry to EYFS and KS1 including language skills, low vocabulary, and low phonic knowledge upon entry to EYFS/KS1. This is significantly lower for disadvantaged pupils.
5	Our outcomes and assessment data shows disadvantaged pupils have not always shown personal challenge in order to reach their true potential, including high achievers. Pupils have not always remembered knowledge well and it has not been embedded into their long-term memory or indeed revisited, thus not becoming 'sticky' knowledge which pupils can draw upon and talk about, using the correct vocabulary.
6	A large proportion of disadvantaged pupils also have SEND and therefore an additional barrier for the pupils in terms of their attainment. This has resulted in significant knowledge gaps in their learning - leading to pupils falling further behind age-related expectations.

## Intended outcomes

This explains the outcomes we are aiming for by the end of our current strategy plan, and how we will measure whether they have been achieved.

Intended outcome	Success criter	ia

Forest School		
Outdoor classroom		
Sensory room conversion		
Installation of Sensory Room		
Class set out outdoor wear for Forest School		

Total budgeted cost: £ 315,190

## Part B: Review of the previous academic year

## Outcomes for disadvantaged pupils

Outline outcomes for disadvantaged pupils in the 2021 to 2022 academic year and explain how their performance has been assessed.

Primary schools do not need to publish their 2022 key stage 2 results as DfE is not publishing that data. Refer to any other pupil evaluations carried out during the 2021 to 2022 academic year. For example, standardised teacher administered tests or diagnostic assessments such as rubrics or scales.

Intended outcome	Summer Review - July 2022					
Pupils will have a greater awareness of the wider world and will be able to bring these 'cultural capital' experiences into their work eg writing and cross-curricular		ve for actual 202 s across school o

	Cadbury World - Y3 & Y4					
	Sealife Centre - Year 2					
	Exotic Zoo - Year 1					
	Sycamore Adventure - Reception					
	Kingswood - Nursery					
	All trips supported the curriculum topic for each year group.					
	All trips were subsidised - and work following the trip was undertaken, particularly written work. This is evidenced in school.					
To increase the proportion of parents	Summer Review - July 2022					
supporting learning at home (including to increase the proportion of parents from	Parental workshops are available at different times of the day, so a wider range of parents can attend. This have not all taken place as planned, due to the impact of Covid-19. However, the new Nursery and Reception meetings were very well attended in July 2022.					
disadvantaged families too).	Parents are signposted to external courses to support their own needs eg back to work/ technology workshops etc. Signposting has taken place via our school website and social media channels and individually with parents, via the pastoral team.					
	Homework set for academic and creative subjects. This has remained a strength across school, pupils and their families love the project homework and are very creative in what they send in, as the choice for how they showcase their learning is up to them. Often, there is much less emphasis on writing and more on the arts and computing. ALL homework is valued and recognised by staff, some is also shared on our social media channels.					

Pupil's resilience and overall selfconfidence improves, as they recover from the Covid pandemic including those with behaviour needs.

### Summer Review - July 2022

• Pupils have access to the school's EHWB team and programmes to support their resilience & self-confidence/ self-esteem. This is very well used by pupils and their families:

Therapeutic and specialised sessions offered 2021 - 22				
Specialised Therapeutic Intervention 1.1 Zones of regulation Lego therapy groups				
Drop-in sessions	Friendship groups	1.1 well-being sessions		

- School continues to support a number of pupils with safeguarding agencies involved. Data held within school
- Pupil survey and HRBS show improved well-being of all pupils including those who are disadvantaged:
  - 100% pupils feel safe in school, inc those who are disadvantaged.
  - 100% pupils like being at school, inc those who are disadvantaged.
- Zones of Regulation training across school is embedded and reduction of behavioural incidents recorded & Specialist support and 1:1/ group work commenced with identified pupils and a reduction in level 5/6/7 incidents recorded
  - Zones of Regulation is well embedded across school, daily check-ins are made at the start of the morning and afternoon sessions. Children with SEMH needs are encouraged to refer to the Zones of Regulation in order for them to express themselves. Behaviour incidents are down on the previous year.
- EHWB/ Pastoral Team are trained in order to provide a range of SEMH needs Training has included:

Introduction to child bereavement	Designated Senior Mental Health Lead Training	Child Sexual Exploitation		
Child Bereavement: What can I do to help	SP-EAK suicide prevention in young adults	Youth Mental Health First Aid		
Child Bereavement	Puberty	Zones of Regulation		
Mental Health and Unresolved Trauma	Supporting children in school with EAL	Lego Therapy		
DSL Training:				
Safeguarding Children: a shared responsibility	Traffic light tool	Working together safeguarding children and young people		
Thresholds	Managing allegations	Think Family		
DSL Training Refresher	Sexual Behaviours Traffic Light Tool Training	Designated Safeguarding Lead Level 3		

- Pupils know who to seek out in school in order to discuss feelings and to feel safe (pupil questionnaire)
   95% of pupils in Y1- Y6 know who to go to and would be happy to go to a member of staff if they were worried.
- School have continued to develop strong working relationships with signposted agencies

3.Attendance % of disadvantaged pupils raised to at least 96% and the number of lates decreases.

### Summer Review - July 2022

Despite consistent good working practices regarding first-day contact etc, some families are not bringing their children to school every day. We are in constant contact with these families, working with the EWO and working with the LA Attendance team regarding preparing court paperwork. This remains a high priority for 2022-2023.

	Actual attendance	% of families in year group on the 'Attendance cohort'	& of families in 'Attend- ance cohort' who are dis- advantaged	
Year R PP	98.1	3%	50%	
Year R Non PP	98.7			
Year 1 PP	93	7%	80%	
Year 1 Non PP	96			
Year 2 PP	88%	13%	100%	
Year 2 Non PP	97%			
Year 3 PP	92.4	12%	83%	
Year 3 Non PP	97.3			
Year 4 PP	96.8	6%	50%	
Year 4 Non PP	97.4			
Year 5 PP	93.7	10%	100%	
Year 5 Non PP	97.5			
Year 6 PP	92	12%	100%	
Year 6 Non PP	96.5			

Non PP have achieved over 96% consistently in all year groups. Much more work is needed in order to close the in-school gap in 2022-23 and 2023 - 24.

To increase the proportions achieving a good level of development in Reception in Reading/Writing/ Maths and PSED and speaking and listening & understanding.

#### Summer Review - July 2022

- Higher proportions of good level of development seen in disadvantaged pupils than non-disadvantaged pupils this is a major strength of our EYFS.
- As a result of a change in the topics taught and the new EY curriculum, disadvantaged pupils have improved their vocabulary and oral language skills; they are talking confidently to a wider audience and have a developing understanding of key and technical vocabulary relating to all subjects, especially topic.

5. To ensure that all pupils are achieving and are closing the gaps on their peers, in relation to their starting points, including in phonics.

> See above tables in Intended Outcome 1 for Key Stage 1 and Key Stage 2

### School Disadvantaged vs National Disadvantaged 2022:

	No	Each child	Reading	National 2019	Writing	National 2019	Maths	National 2019	
Year 6	38	3%	76%	62%	71%	68%	74%	67%	
			+1	+14%		+3%		+7%	
Year 5	36	3%	75%	62%	67%	68%	64%	67%	
			+1	+13%		-1%		-3%	
Year 4	16	6%	69%	62%	56%	68%	69%	67%	
			+7	+7%		-12%		+2%	
Year 3	29	3%	62%	62%	59%	68%	69%	67%	
			0	0%		9%	+	2%	
Year 2	31	3%	55%	62%	48%	55%	61%	62%	
			-7	-7%		7%	-	1%	
Year 1	27	4%	74%	79%	70%	76%	74%	82%	
			-5%		-6%		-	8%	
Recep-	25	4%	84%	79%	68%	76%	88%	82%	
tion			+5	5%	-8	3%	+	6%	

- Reading and maths fluency have improved, and greater proportions of pupils are meeting the expected standard in Year 6. Disadvantage learners have significantly improved results compared to national disadvantaged learners especially in Y6 reading and maths.
- > Teaching across school is judged, in all subjects, to be at least 'good' which much 'outstanding'.
- > CPD has focused on all staff, issues from the SDP; CPD has supported subject leaders in their roles in improving outcomes in their subjects, this has been coupled with additional support for middle leaders from senior staff.
- > Staff appraisals have focused very much on closing the gap targets for all teachers, HLTA's and TA's for disadvantaged pupils.
- > Two school-led tutors are in place and have tutoring ALL pupils, in Year 5 and Year 6 for their 15 hours. Improved outcomes can be seen for these pupils- see above tables.
- Pupils targeted for GDS received additional boosters & after-school club tuition. Improved outcomes can be seen for these pupils- see above tables.
- > All pupils challenged in class through work, questioning, low-stakes quizzes etc
- > Increased oral language skills, evident in books, pupil' interviews and lessons

To improve the progress of pupils who are both disadvantaged and have SEND.

Summer Review - July 2022					
Year OVERALL: 431 pupils - 217 Dis (50%)	Disadvantaged % SEND	SEND who are dis- advantaged			
N 15 Dis (38%)	33% (5/15)	50% (5/10)			
R 25 Dis (42%)	12% (3/25)	38% (3/8)			
Y1 27 Dis (45%)	28% (7/27)	50% (7/14)			
Y2 30 Dis (52%)	27% (8/30)	73% (8/11)			
Y3 30 Dis (50%)	30% (9/30)	64% (9/14)			
Y4 16 Dis (52%)	19% (3/16)	50% (3/6)			
Y5 36 Dis (59%)	36% (13/36)	81% (13/16)			
Y6 38 Dis (62%)	29% (11/38)	73% (11/15)			

Despite targeted intervention, precision teaching, small steps in learning and quality first teaching the SEND group targeted to make expected progress in Y5/Y3/Y2 (in reading and maths) Y1 and Reception (in Literacy) did not achieve this. This pupil group still need lots of opportunities in order the close the gaps in their learning. As do the SEND group who were targeted for more than expected progress in Y5 (in writing)/Y4 in reading and maths)/Y2 (in writing and maths) and Y1 (in maths) as the end of year results are not high enough in order to close the gaps. This group have bespoke SEND targets and these have been reviewed termly. The SENDCo holds meetings with the TA's who provide 1:1 support and as a result of in school data in the Spring term there as an overhaul of our intervention programme. This will need to embed and be reviewed in 2022-23.

### Externally provided programmes

Please include the names of any non-DfE programmes that you used your pupil premium (or recovery premium) to fund in the previous academic year.

Programme	Provider
Mirodo & Sats Companion	Sats Companion

## Further information (optional)

Use this space to provide any further information about your pupil premium strategy. For example, about your strategy planning, or other activity that you are implementing to support disadvantaged pupils, that is not dependent on pupil premium or recovery premium funding.
