Early Years

EAD	<ul style="list-style-type: none"> Listen with increased attention to sounds. Respond to what they have heard, expressing their thoughts and feelings. Remember and sing entire songs. Take part in simple pretend play, using an object to represent something else. Join different materials and explore different textures. 	<ul style="list-style-type: none"> Explore colour and colour mixing. Show different emotions in their drawings and paintings. Play instruments with increasing control to express their feelings and ideas. Sing the melodic shape of familiar songs. 	<ul style="list-style-type: none"> Explore different materials freely, in order to develop their ideas about how to use them and what to make. Create closed shapes with continuous lines and begin to use these shapes to help represent objects. Draw with increasing complexity and detail. 	<ul style="list-style-type: none"> Begin to develop complex stories using small world equipment. Make imaginative and complex 'small worlds' with blocks and construction kits. 	<ul style="list-style-type: none"> Develop their ideas and then decide which materials to use to express them.
