Dear Parents/Carers

I thought it may be a good time to write to inform you of our classes for next year. The children will be meeting their new teachers on Friday 14th July and I know the staff are very much looking forward to meeting their new children.

Classroom allocation is based on the professional decisions of staff and in the best interests of the children in our care and we would ask that parents and carers fully respect this and do not request any amendments to class groups. If children are moved classes, this is an excellent opportunity for them to begin to make new friends and form new bonds too.

Mr Johnson will remain as our Sports Coach.

Next year, we will continue to request that children come to school in their PE kit on designated PE days, as this has definitely reduced the incidents of forgotten kit, as well as alleviating the difficulties with communal changing issues.

On behalf of all the staff, may I thank you again for all your continued support this year and we look forward to whatever September may bring, knowing that our community is as strong as ever.

Yours sincerely

Mrs P Scott
