Watch this video to learn how to be safe online.

# 5 E-Safe Ts

## Technology

Use all **technology** including mobile phones, games consoles, tablets & computers safely and respectfully when sharing information with others.

## Time

Take **time** to think before posting messages and images that could be hurtful or embarrassing to yourself or others.

## Take care

**Take care** on the internet, some things and people are not what they seem.

## Tricky

If things get **tricky** and you become uncomfortable, leave the site and ignore comments or emails.

## Tell

**Tell** someone if you are worried about anything that has happened while you've been online.
