Sport coordinator - (£2403 per year)	To quality assure the work of sports coaches & instructors employed to coach and teach PE lessons & after-school Clubs. Furthermore, the sport co-ordinator is directed to complete the management and planning/organisation of whole school physical education, including providing appropriate CPD for staff. This also includes time for the sport co-ordinator to take school teams to a variety of sporting events and competitions. In addition, time is allocated during lunch hour and after school to ensure that children are ready to compete in external competitions. It is expected that the sport co-ordinator will meet at least termly with the link governor for PE (IL) to ensure high quality sports provision in school.	The sport coordinator will be provided with time to undertake an audit of our provision including, but not exclusive to, ensuring the correct use of the Legacy PE scheme. As a result of this, the PE co-ordinator will be able to observe lessons, produce action plans and SDPs for PE, review sport premium spending, organise teams, train staff in the planning, delivery and assessment of curriculum PE, lead house afternoons, lead internal sports competitions and lead external sports trips, which will ensure all core priorities for improvement are met.
Sports coach - (£5546)	Through the employment of qualified and expert coaches, high quality after-school and lunchtime clubs will be provided for all children from Year 1- Year 6. The sports coach will have responsibility for supporting the school's aim to raise the quality of teaching in physical education and sport. The sports coach will ensure that the school's Commando Joe values are being taught through PE and sport.	School sports registers will demonstrate increased pupil participation in a range of inclusive sporting activities. Through providing links to local sports clubs and by sign posting children in the direction of community clubs outside of the school environment, an increased number of pupils will be identified as engaging in external sports provision. The sports coach will continue to be a role model for children to aspire to in sporting activities.
Play leaders - (£3770)	School to provide appropriate training with Wider Learning to develop Sports Ambassadors in school. The children will be provided with the opportunity to develop their social, communication and organisation skills through leadership roles in sport in school. Leadership opportunities will also be extended externally, through reporting on	The profile of PE and sport is raised across the school and supports whole school improvement. As a result of play leader training, our children will encourage better behaviour at lunchtimes because

Furthermore, play leaders will be provided with skills to improve their communication and empathy with others. Finally, the children in the year groups below our play leaders will be provided with positive role models to aspire to and, as a result, will be inspired to become a playleader in the future.	
Equipment - (£16,014)	Following an audit of sports equipment across school, new resources are purchased to enhance school sport lessons and to supplement lunchtime and after school activities. The purchase of additional cycle and scooter storage will encourage active travel to and from school and therefore promote healthy life choices for the children.					School sport is judged to be at least good across the school and learning walks show that the majority of children are actively involved at playtime and lunchtime with physical activity. The school has hosted several sporting events, including football matches on the new site. Both cycle and scooter sheds are used to full capacity daily, therefore demonstrating an increased number of children travelling to school in an active manner.	
Support for after school sports provision £2176	The school will develop a wider team of skilled coaches, including external providers and teaching assistants, to enhance after- school sports provision, which engages children in physical activity, thus promoting their physical and emotional health and well-being.					A wider selection of after school clubs are on offer, that provide a varied diet of physical activity for the children to choose from. After school sports clubs are fully subscribed and regularly attended by the children, thus promoting their physical and emotional health and well-being.	
Contribution to School Sports Partnership	(Paid as part of ConnectEd Subscription)					Through this subscription, school has accessed additional staff training, local partnerships and access to activity and peer support training.
