Should everyone be allowed to lead a private life?

In the news this week

The Royal Family's right to privacy has made news headlines worldwide over the past few weeks. Catherine, the Princess of Wales, recently released a video explaining her health issues and continued treatment, following an operation and diagnosis. King Charles III also announced he is receiving treatment for a different illness, making them a large focus of media attention. Interest in the personal lives of the Royal Family and other celebrities is very high, with many news outlets choosing to write stories about them. Following both announcements, the Royal Family has released statements requesting privacy.

Things to talk about at home ...

- > Share any knowledge you have about the Royal Family. Ask others at home what they know; can they remember different members of the Royal Family?
- > What do you imagine life would be like as a member of the Royal Family? What do you think you would find hard? What do you feel you might find easier?
