

Online homework – We would like you to use your **Education City login**. It is in your green homework book! (You can access this on a laptop or tablet). You then need to go on to the **‘My Homework’** section, where you will find a few pieces of homework in a file called, **WB 15.05.25**, this may be a game, activity or Think IT. If you need help or it is not working, check with one of your teachers.

Homework – Year 3 – To be complete by Wednesday 21st May 2025

What everyday items could be changed to help others?

Dhruv Chaudhary, Mithran Ladhania, and Mridul Jain

In the news this week

Three teenagers from Indore, India – Dhruv Chaudhary, Mithran Ladhania, and Mridul Jain – have created a salt-powered fridge. Their goal is to support hospitals in rural areas around the world that lack access to electricity. Their invention, called the Thermavault, was submitted to The Earth Prize, a global competition which aims to inspire young people to solve world-wide problems.

Things to talk about at home ...

- Share your thoughts on the new fridge invention. Who do you believe will benefit most from it?
- Make a list of everyday items at home. Which make your life easier?
- Can you think of an item you use that could be improved? How?

Please note any interesting thoughts or comments
