17<sup>th</sup> June 2026

Dear Parents/Carers,

## French Day

As stated on the whole school diary dates, we are thrilled to announce that on Friday 26<sup>th</sup> June, we will be hosting a special French Day. The day's activities will be designed to fully immerse the children in French culture across various subjects, from art lessons to music sessions and even some French-inspired physical activities. Our aim is to provide an enriching experience which sparks curiosity and appreciation for the French way of life.

To make this day even more memorable, we encourage all children to come dressed in suitable clothing for physical education (PE) activities, while also celebrating French Culture. Think stripes, berets, French colours, or anything that reflects the spirit of France! **Please do not feel obliged to purchase anything new**- the colours of the French flag can be reflected in the children's clothes for this day.

We kindly ask for your support in ensuring that your child is dressed appropriately for the occasion and ready to participate in the day's activities. Let's make this French Day a memorable experience for everyone involved!

Thank you for your continued support and cooperation.
